MAY Meeting minutes – 5/4/24 & 5/11/24

The May 4, 2024 meeting was a joint meeting with the Fort Industry Chapter held at Ft Meigs. The meeting was called to order by Regent Paula Lauer.

The afternoon's presentation was by Robyn Hage, the Toledo Public Schools Historian as well as a local history author. She spoke on Immigration in Toledo, which was a fascinating program.

All members participated in the opening ritual. All Daughters attending introduced themselves. The President General's Message and the National Defense were read. All the Committee reports were read and two collections were taken for Waldschmidt House and DAR Schools.

The May 11, 2024 meeting was held at Schooner Farms in Weston, Ohio and was a Make It & Take It Craft Day. Regent Bonnie Rashleigh called the meeting to order. 14 ladies signed up for the day. Unfortunately, the owner, Becky Schooner found herself under the weather that day and her husband Don had to handle all of us working on two different projects. He did a wonderful job helping us with our projects.

Treasurer Joan Drill gave the Treasurers report. The motion was made to accept the report by Judy Myerholtz and seconded by Theresa Smith. The Treasurers Report was approved unanimously.

The Auditing Committee members that have agreed to do the audit in August are Theresa Smith, Deb Cady and Jan Brinker.

The group discussed the June program about Mom's House and agreed that for the June meeting we will bring in items for Mom's House. We already know they need baby wipes and diapers, especially size 3, 4 and 5. Regent Rashleigh will contact them to get a list of all the different items that they would need and sent it out with the June agenda.

Our crafts were completed and the meeting was adjourned.

Respectfully

Bonnie Rashleigh
