OLD BUSINESS

- Amazon Smiles have been discontinued
- Our Anniversary article for Daughters Newsletter- With the Chapters. We have the photo, we need to get it written and sent in- any volunteers? Jennifer will write it. Deb Cady the photos.
- Patriot Stories will be continued. Deb Warner will do April and Theresa Smith will do this in May.

New Business

- * DAR Stuff- We need to look at how and what we should be storing from our DAR Chapter. Getting prepped for our Anniversary celebration- We realized that our Chapter records and items are scattered in several places and there is no real idea of where everything is. What to do- it should not be in Bonnie's dining room or Sara's barn. We need an inventory of what we have and who is holding it. Need help in finding additional storage .Deb Cady volunteered to chair this effort. We will research storage options and work to digitize what records we can.
 - * Membership renewals- there is a need for alternate contact also adding Daughters Helping-Daughters donations.We Willard the alternate contact and the Voluntary donation to our next dues Form. Motion was made by Nancy Myerholtz, 2nd by Deb Warner.
 - * Vietnam War Anniversary Partnership. It was felt that for this time we will participate for an another year and work to plan something that isn't a rushed project.
 - * GRC- Bible Records- would like to put together a collection to turn in to the state. One thing that we need with the Bible pages or original records is a transcription.
 - * Other Services- Chemawa Care Quilts for all the children in the school, there is a need to baby blankets for babies of servicemen that are overseas. Toledo's Barry's Landing is a home for ex-military They need supplies that they cannot get for food stamps, Tooth brush and paste, toilet paper, and other personal items. Next month CarlaAnn Stiles will be glad to collect any items at our meeting and take it to Barry's Landing.
 - * ROTC- Awards are coming up soon. One goes to Springfield High School, BGSU receives 2, and University of Toledo receives 1. Any one interested in doing the presentations? Jennifer Catera will present the UT award and if possible Bonnie will take care of the BG awards.
 - *Next Month we will hopefully have our essay winner attend our Chapter award.
 - *There is a proposal that will be voted on during the Continental Congress to double the cost of application fees over the next 18 months. NOTE: If you are interested in supplementals or have others to join- Don't delay in case this motion passes at CC.
- Our Chapter Flag needs to be replaced since it is very old and worn. Joan will investigate how we get one of the flags that have been flown of the DAR Headquarters in DC.
- *A motion to adjourn was made by Joan Drill. 2nd by Cindy Smith
